Note to accompany the statement of budget grants required for the Census Department for the year 1930-31.

.....

Salaries:- Officers.- Two Assistants are provided for.- One of them an Assistant Commissioner of some years' standing and another of the rank of a Senior Amildar with allowance of Rs.75 and 50 per mensem respectively. One Assistant will be coming in next month and a Second Assistant will have to come in early in June next. Hence provision for a whole year is made for the pay of Assistants.

Establishment.-The pay provided for the superior ministerial establishment is in accordance with the note I submitted to Government in the first instance sometime ago. In each case the lowest pay is taken. The pay of the Stenographer is put down as Rs.50 and not Rs.60 as the pay given to him is Rs.50 in grade Rs.50-5-65. The provision for menial establishment is for the full strength of the office when there will have to be a Duftarband, a Mutchi, a Sweeper and a watchman in addition to three servants for each of the Assistants.

Travelling Allowance.- The provision proposed is based on the amoun that was spent in the corresponding year in the course of the last Census. Expenditure under this head will probably be the same as then. The provision proposed may therefore stand.

Press Charges and Contingencies.- Same remarks as above.

District Charges.- Contingencies.- The provision under contingencies, slip copying, house-numbering and miscellaneous charges is based as in the above cases on the expenditure incurred in the last Census.

Slip copying was got done in the taluks last time. I am considering whether it would not be better to get this work done at District Headquarters this time. The expenditure, however is likely to be about the same as on the previous occasion. So the amounts provided might be allowed to stand.

k establishment.- Same remarks as above.

M. Venkatesalyengar

Census Superintendent.
